

WHEN CAN I DOWNLOAD MY **CERTIFICATE?**

OCKO.UZIS.CZ

NEGATIVE ANTIGEN TEST

You can download your Certificate latest on the same day you visited sampling point.

Results are uploaded the same day as test was performed.

NEGATIVE PCR TEST

Your certificate will be available for download only after it has been processed by the laboratory

1. Your sample has to be transported to a laboratory and analysed there.(up to 48 hrs)
2. When the lab processes your sample, it can take additional while (few hours) before your certificate is ready to download on the portal.

Please, be aware of this possible time gap when planning your traveling schedule.

CERTIFICATE OF RECOVERY

The earliest you can obtain your certificate is the 11th day from your positive PCR test.

Certificate is based on the date of your PCR confirmation of infection.

Validity (grace period) is **180 days**.

VACCINATION

Certificate is ready to download right after vaccination.

Certificate is valid the **15th day after second dose** (two dose vaccine)

Certificate is valid the **15th day after first dose** (one dose vaccine)
